

SEAGULL HANGIE

1. You will need white, grey, black and yellow felt, yellow ribbon or wool, googly eyes and fabric glue.

2. Use the templates to cut out TWO of each shape from the coloured felt

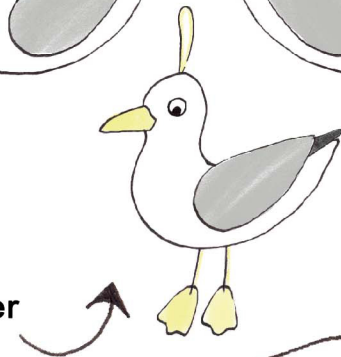

3. Glue a wing, tail feather and beak to each body, doing one in reverse so they look like mirror images (GULL A and GULL B)

4. Turn one gull over, and make a hanging loop with a ribbon and glue the ends onto the gull's head

5. Attach two pieces of ribbon for legs, gluing the felt feet to the other ends

6. Glue the two halves of the gull together and attach googly eyes to each side.

BODY (WHITE)

WING (GREY)

BEAK
(YELLOW)

FOOT
(YELLOW)

TAIL FEATHER (BLACK)
