

MAKE YOUR OWN SWOOPING MAGPIE

1. Colour, decorate and cut out your magpie
2. Carefully cut along the dotted line to make a slit
3. Fold a piece of black A4 paper back and forth in a fanfold, making pleats
4. Insert the folded paper into the slit on the magpie and spread the paper on either side like wings
5. Attach a string to the magpie's back. Happy swooping!
